

## American Olean Finishing Touches Display

This rotating display boasts accent boards that are available in two different sizes and can be easily removed for use in showrooms. It also includes a literature holder for easily accessible written information about American Olean accents. Display comes with a collection of American Olean's most beautiful decorative pieces.

Size: 77" H x 32" W

Conestoga List Price \$569.00

Accent boards must be ordered separately.

## American Olean X-12 Display

The X-12 display is mobile, compact & easy to set up and requires no tools for assembly. Even with its interlocking "X-shaped" design, the tile remains the primary focus and it doesn't take up a lot of space.

Size: 20" H x 21" W x 33" D

Conestoga List Price \$49.00
