Jeffrey Court – We are introducing a new Chapter 2 with this pricelist. The new Chapter 2 Vintage Studio embraces the nostalgia of traditional 3” x 6” subway tile and expands upon that tradition with five additional sizes all available in matte and gloss finishes and three popular colors. Glossy and matte porcelain hexagons and penny rounds are also available. This new collection replaces old Chapter 2 and Chapter 5. Existing products in the Jeffrey Court pricelist received a minor price increase.

Roca – Roca has added several new products with this pricelist. They have added two more decorative porcelain 8” x 8” floor tile series, Selva and Tribe. Casablanca and Maiolica Floor have had additional colors and patterns added to their lines. Added wall tile series include Olaria, Ombre and St. Tropez. Olaria offers six colors of 6” x 6”. Ombre is a collection of 3” x 12”s offered in eight color options and St. Tropez has 5” x 5” and 2.5” x 5”s in six different colors. They have also added the color Cosmic Sapphire to the popular Flow series of 3” x 12”s. Roca has also added a porcelain 12” x 24” series called Stone Basel. This limestone look color body porcelain is available in four colors. There are no price increases in this

pricelist.

Standard – Exclusively shown in our showrooms, this vendor partner provides US inventoried imported products for prompt delivery. We have selected four new products to offer our customers. Brennero Venus is a Marble look floor and wall combo. It offers a 12” x 24” natural finish floor option and a 10” x 30” glossy wall tile. Flaviker Nordik Wood is a 24” x 24” decorative panel parquet wood look that is available in two different patterns. Gazzini Quarz is a natural stone look offered in three field tile sizes and a 6” x 24” 3D wall panel. The last new series is Mariner Star. This four color series has a natural marble look in a soft matte finish. There are three field tile options and two mosaics. Visit one of our three showrooms to see these new lines.

Zen Paradise – Zen Paradise is a provider of fine pebble and stone mosaics. This new pricelist has additional colors in the Mini Hexagon, Hexagon, XL Hexagon and XL Waves series. There are no price increases in this pricelist.
