

The Following Pricelists are included in this edition of the Trailblazer:

To access our online Excel Pricelists please go to <https://www.conestogatile.com/pricelists>

Bati Orient – Bati Orient is the creator and importer of a variety of mosaic and decorative tiles. They will be introducing over 20 new glass, ceramic and stone options. Several are currently available and the rest will be introduced later this year. All new items are included in this pricelist. There is no price increase on existing products from Bati Orient.

ConestogaLVT – We are introducing four new stocked Rigid Core LVT series with this pricelist. Bellevue Park is a multi-width and multi-length LVT that is available in four color options. Bloomingdale is a 9” wide plank with a realistic textured finish. This series has a 60” length. Del Ray is a rustic multi-width look in a 7” x 48” plank. The last new series is Federal Hill. This series features high color variation and a realistic look in a 7” x 48” plank.

Fin-Pan – There are very minor price increases in this new pricelist from Fin-Pan, the manufacturer of Util-a-crete and ProPanel.

Imagery Mosaics – We have added three new items to this Imagery Mosaics pricelist. There are no price changes on existing products. Imagery Mosaics offers a variety of glass, ceramic, metal and stone mosaics as well as a few glass field tile options. We have two different displays available from Imagery Mosaics. One is a two base table top display with 56 boards of the

Imagery Mosaics series. The second display is a brand new small waterfall with 14 boards showing the 41 items in the Reflections series. Both of these displays are available and part of our Quick Ship Display Program. Talk to your sales representative for more information.

Lunada Bay Tile – This new Lunada Bay pricelist incorporates all the new series they have added in the last 16 months. There were three new ceramic series: Graphite, Ka-Nu and Namibia and four new glass series: Birdscape, JAW, Quarter Rounds and Sonare. Most recently they have added another new glass series, Elements, which is also included in this pricelist. Elements is a new monochromatic contemporary edge glass tile that replaces Mizumi. It offers updated color options, sizes and shapes. There are no price changes for the ceramic and concrete series; however there is a slight price increase on existing glass products.

Natural Stone – Natural Stone is a collection of natural marble, limestone and granite; as well as a few agglomerate and ceramic options. These products are mainly shown in our showrooms. The Marble Agglomerate Tiles have decreased in price for this pricelist and we have added two new series. Central Park is a glazed 3” x 12” perfect for backsplashes or bathroom walls. Gramercy Park is a 2” x 9” painted brick look that can be used on floors and walls. Stop by one of our showrooms to check out these new series.
