To access our online Excel Pricelists please go to <https://www.conestogatile.com/pricelists>

Milestone (Florim USA) – We are introducing three new series with this Milestone pricelist. Marbles consists of five different colors of marble look

porcelain. This series is available in polished and matte. There are 4 field tile sizes and 2 mosaic options in both finishes. Rustic Stone, like the name implies, is a glazed porcelain rustic stone look. It is pressed porcelain which gives it a softer looking edge that adds to the rustic feel of the series. It is available in

three field tile sizes and a 2” x 2” mosaic. The last new series is Verve. This concrete look glazed porcelain is available in three colors and a blend which includes the 3 colors and an additional color to create even more variation. There are 4 field tile sizes including a 24” x 24” in 2cm. 2” x 2” mosaics and 2” circle mosaics are also available. Both Rustic Stone and Verve offer the hard to find 12” x 12” size option. These three series will be stocked by Conestoga Tile in the near future. They are all made in the USA, so any nonstock items can be available within two weeks. All three series are great budget friendly options for price conscious customers. There are no price increases on existing products from this manufacturer.

COMING SOON!

One of Schluter’s most popular products is getting even better! DITRA-HEAT and DITRA-HEAT-DUO membranes will soon have a new design featuring cutting grooves. The design enhancement also provides an easy-cut guide and greater membrane flexibility. Two other changes you will notice:

- The membranes will be rolled fleece side out making it easier to roll into thinset.
- The edges will be modified to hold a cable along the length of a seam. Due to the modified edges, dimensions of the rolls and sheets have changed slightly. New dimensions are as follows:

| Schluter®-DITRA-HEAT | | |
|---------------------------------------|-------------------------------------------------------------------------------------------|--------|
| Uncoupling and waterproofing membrane | | |
| Item No. | Dimensions | Format |
| DH5 12M | 0.98 m x 12.76 m = 12.5 m ² 3' 2-5/8" x 41' 10-3/4" = 134.5 ft ² | Roll |
| DH5 MA | 0.98 m x 0.8 m = 0.78 m ² 3' 2-5/8" x 2' 7-3/8" = 8.4 ft ² | Sheet |

| Schluter®-DITRA-HEAT-DUO | | |
|----------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------|
| Uncoupling and waterproofing membrane with sound control and thermal break | | |
| Item No. | Dimensions | Format |
| DHD8 10M | 0.98 m x 10.2 m = 10 m ² 3' 2-5/8" x 33' 6-1/2" = 108 ft ² | Roll |
| DHD8 MA | 0.98 m x 0.8 m = 0.78 m ² 3' 2-5/8" x 2' 7-3/8" = 8.4 ft ² | Sheet |
