

### The Following Pricelists are included in this edition of the Trailblazer:

To access our online Excel Pricelists please go to <https://www.conestogatile.com/pricelists>

**Ascot**—Our second introduction from this Italian manufacturer will be arriving in the next few months and is included in this new pricelist. Stone Valley is a stone look available in four natural colors with complex variation and intricate veining. It will be stocked in three field tile sizes including a unique 4" x 24" plank.

**Lungarno** – This year will be the biggest product launch ever for Lungarno. All the new products officially launching in April are included in this pricelist. New products include Casablanca, a 3D wall tile and coordinating hexagon floor tile available in 6 colors; Elements, unglazed mosaics in penny rounds and hexagons; Linea, glossy wall tile available in two sizes including a unique 2" x 20" size; London Metro, a 3" x 12" satin wall tile; Marrakesh, a 4" x 4" wall tile with coordinating decorative 8" x 8" floor tile and Northern Lights, five colors of pressed glass mosaics available in two different patterns. Lungarno is also adding 24" x 24" and 9" x 10" hexagon floor tile to the Carrollton series and a triangle shape to the Simple Stone series. Massa Marble, formerly Massa Carrara is adding a new color. There is a slight price increase on most existing products in this new pricelist.

**Roca** – This new pricelist from Roca includes over ten new series and additions to several series. There are four new solid/concrete look porcelain series that offer polished and unpolished versions and four series that offer large format wall tiles. These include Tissue, Wind and Zen, all three-dimensional wall tile. Slabs, originally named Marble Slabs, offers a variety of 24" x 48" and larger porcelain tiles in a

variety of looks and finishes. Kalma is a porcelain tile offered in pure black or pure white in an unpolished finish and Crystal offers a pure white in a 24" x 48" polished porcelain. Another new series is Block, which offers the popular 2" x 10 picket wall tile in bright and matte finishes and six color options. This series also offers porcelain floor tiles in coordinating colors and two trendy sizes, 4" x 24" planks and 5" x 6" hexagons. There are several series that received new sizes and formats. 8" x 9" Hexagons were added to Statuary, Legend and Flow. Pickets were added to Color Collections and Flow. A notable change in this pricelist, Maiolica 4 1/4" x 10" Decos are now available individually. They will still be offered as a mix of decorative field tiles, but most colors and patterns will be offered individually. Some existing products had slight price increases and others had small decreases. Please be sure to check the "Added" and "Discontinued" sections of this Trail Blazer for details on all the changes in this pricelist.

**NovaBell**—We will be stocking two new series from this Italian manufacturer. The first series, Aspen is a unique stone-effect porcelain based on a variety of natural surfaces. This series is available in five colors and several sizes including an elegant Provenzale field tile. The other series, BrickUp is a three-dimensional wall tile with the look of stacked stone. This series is available in five colors.
