

## — CONESTOGA TILE/MILESTONE ACADEMY TRAINING PARTNERSHIP

The tile industry continues to see an increase in consumer interest in the large, gauged porcelain category. Several domestic manufacturers including Milestone have made the investment to produce panels here in the US. Conestoga Tile has chosen to partner with Milestone to encourage and support interested parties who want to participate in this growing and very profitable portion of the industry. We are happy to share information on their newly formed Milestone Academy Essential Gauged Porcelain Installation Course.

- Comprehensive, 3-day Training Events to be held at the Milestone production facility in Clarksville, TN.
- Multiple dates will be available. 2023 dates are shown in accompanying documents.
- There is no fee for the training and upon successful completion, installers will be Milestone Academy Certified!
- Conestoga Tile will provide \$350 per attendee who is an account holding customer within our trading/marketing area to help offset transportation, lodging, and associated costs to attend.
- Attending companies will be offered special pricing on Milestone large panel products and discounts on associated tools.
- Limited space per session is available to provide proper hands-on training.
- It is highly recommended to send a minimum of 2 attendees from your organization.
- Additional information from Milestone provided after registration.

*Tile Nation*

## 3 DAY TRAINING EVENT

*For installers who want to expand their expertise to include gauged porcelain. Materials provided.*

In this beginner course for bathrooms and showers, you'll learn:

- › How to prepare, cut, and install gauged porcelain tiles (48"x110" tiles).
- › Time and money saving techniques for the job.
- › How to create templates for onsite and shop use.

Upon completion, you'll be **MILE<sup>®</sup>stone Academy Certified!**

Benefits include:

- › Inclusion in the MILE<sup>®</sup>stone distributor referral list.
- › MILE<sup>®</sup>stone will replace product broken during installation by certified installers, up to five 48"x110" tiles per year.\*
- › Free job consultation, onsite or virtual, if installing MILE<sup>®</sup>stone Max product.

\*Some exclusions apply, contact MILE<sup>®</sup>stone for details.
