

Innovation Workshop: PART 1

In Innovation Workshop—Part 1, we will introduce you to the world of Schluter®-Systems and give you a solid overview of the applications where our products are most often used.

Mount Laurel, NJ

July 31 – August 1, 2024

Westin Hotels & Resorts

555 Fellowship Road Mount Laurel, NJ 08054

This two-day workshop includes classroom instruction, live demonstrations and practical hands-on activities.

Learn how to:

- Prevent tiles from cracking with Schluter®-DITRA
- Protect tile edges with Schluter® profiles
- Provide effective moisture management using Schluter®-KERDI
- And more!
