TRADITIONAL TO CONTEMPORARY... A STONE FOR ALL AGES

The Snow White Collection transcends time. The combination of a natural marble with the classic and traditional shades of grey and white results in a legacy. This integrated with both classic and contemporary shapes and sizes in the art of mosaics make it an immemorial design. The finely polished surface of the stone has a delightful array of metro tile shapes make the areas of usage almost endless.

Stately, refined and versatile, this collection is destined to be a mainstay in traditional to minimalistic environments.
