Please Note:

All product shots are artistic interpretations of actual product. Due to the nature of the printing process, we recommend obtaining physical samples of product for actual color representation.

Chapter 1 Suite Glass mosaics are designed to have minor shade and color variation. The variances in surface and edge texture are natural characteristics of this glass. The handcrafted effects of shallow cracks, indents, and edge chipping are intentional and once installed add to the unique beauty of Chapter 1 Suite Glass.

*Mosaics pass ANSI 137.2 "Thermal Shock Resistance of Glass Tile."

Designed & imported by Jeffrey Court in California.
