Color Body Glazed Porcelain Tile

Mocha

Inspired by the raw beauty of volcanic stone shaped by time and light, Thera takes its name from the ancient island of Santorini. It evokes nature's quiet power—where fire, stone, and sea converge in a timeless, organic landscape.

The collection features five earthy tones and two finishings: a soft matte for interiors and a grip finish designed for outdoor use. Textured yet elegant, Thera brings versatility and subtle depth to both residential and commercial spaces.

Grounded in nature, elevated by design—Thera is a collection that anchors spaces with serenity and strength, offering a timeless foundation for contemporary architecture.
