

# Beauty that won't **BREAK** the Bank

Shenandoah

Whitehaven

Designed specifically for multi-family developments and single family homes, Shenandoah makes the beauty and performance of high-end flooring affordable enough for any budget. With a wide range of available styles, Shenandoah is certain to have the right look for any residential or commercial project.

**CONESTOGALVT**

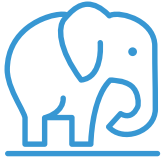

## Why choose Shenandoah?

The result of years of innovation, Shenandoah series Engineered Stone Polymer Composite (ESPC) flooring boasts the lowest defect rate in the industry. Advances such as our Quantum X™ Wear Layer, which provide industry-leading protection against scratches, stains, and dents, while the ClimateGuard™ core withstands extreme heat and cold, resulting in the best performing SPC in non-temperature controlled environments — such as those found in new multi-family construction sites.

### QUANTUM X™ TECHNOLOGY

Industry-leading resistance to scratches, stains, and dents strengthened by real diamonds.

### HEAVY COMMERCIAL USE

Durable enough to withstand heavy everyday foot traffic.
