GLAZED PORCELAIN FLOOR & CERAMIC WALL TILE

floridatile

TEMPO

shown on front: **TMP30P 24x48** Ash Cool Gray (polished) & **TMP40P 24x48** Dark Gray (polished)

Tempo from Florida Tile is inspired by the blending of natural stones to create truly unique visuals. Elements of Basalt Stone, Imperial Marble, and Pulpis Spanish Marble are thoughtfully layered together creating intricate soft veining and harmonious movement throughout the surface.

Four captivating color options include: Cotton White – a soft but stately blend of ivory, gold, and light gray; Nature Beige – a delicate beige base infused with striking slivers of brown, gray, and cream; Ash Cool Gray – a base of medium gray with tranquil currents of charcoal and ivory; and Dark Gray – a delicate interlacing of charcoal, brown, copper and ivory over a bed of dark gray.

Porcelain field tile formats include: 12x24, 24x24, and 24x48 available in a matte or polished finish. A 12x35 glossy ceramic

wall option adds a distinctive element to this collection with a choice between flat and three-dimensional “curve” designs. Further elevating the collection is a chic oval mosaic in a polished finish that creates a stunning point of interest. Complementing these voguish decorative elements with a classic style is a 36-piece mosaic in a matte finish. Rounding out the collection is a 3x24 bullnose in all colors and both finishes.

Tempo glazed porcelain floor tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications. Tempo ceramic wall tile is appropriate for most interior residential wall and backsplash applications.

Porcelain Technical Specifications	Results ¹
ANSI® A326.3²	Matte Interior, Wet Plus (IW+) Polished Interior, Dry (ID)
Surface Hardness	7 Mohs
Break Strength	≥ 475 lbf. avg.
Water Absorption	≤ 0.5% ³
Intended Use⁴	Residential, Light Commercial & Heavy Commercial

¹ Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

² For more information, visit floridatile.com/productuseclassifications.

³ Average production value.

⁴ Please visit www.floridatile.com/intended-use for further details.

Typical Uses

Tempo glazed porcelain floor tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications. Tempo ceramic wall tile is appropriate for most interior residential wall and backsplash applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

Field Tile Nominal Size (in) ¹	Metric (cm)	Pcs./Sq Ft ²	Thickness ³	Edge
12x24	30x60	.5	9.5mm	Rectified
12x35⁴	30x90	.34	8mm	Rectified
24x24	60x60	.25	9.5mm	Rectified
24x48	60x120	.129	9.5mm	Rectified

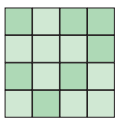

¹ These values may vary from lot to lot.

² These values are based on actual sizes including the grout joint.

³ May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.

⁴ Glossy ceramic. Not available in Dark Gray.

Color Variation

V2 Slight Variation
Clearly distinguishable differences in texture and/or pattern with similar colors.

Color, texture, and finish variations may occur due to the nature of the product.

Notes:

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.
