A COLLECTION BORN TO LEAVE  
ITS MARK, A COLLECTION  
CREATED TO BE...

We are proud to announce after a long road of wonderful adventures, we are celebrating our 30th anniversary!

---

Jeffrey Court was founded with a clear goal: to bring cutting-edge products made with passion and innovative design to your spaces. The formula for our lasting legacy and current industry leadership is based on three solid principles that have guided us throughout the years.

OUR INSPIRATION

“IF YOU WANT TO GET THERE FAST, WALK ALONE. IF YOU WANT TO GO FAR, WALK IN A GROUP.”

CELEBRATING EACH MILESTONE OF OUR 30 YEAR HISTORY

---

At Jeffrey Court, we want to highlight each of the milestones in our history as key moments that have allowed us to achieve longevity in our industry. Every step whether big or small has played an essential role in our journey and has allowed us to become the premiere decorative tile brand of choice for our partners and customers.

As we celebrate our 30th anniversary, we are focusing on seven of our most impactful moments that have played a key role in our growth and development. To honor these milestones, this collection is made up of seven mini collections, each paying homage to key milestones throughout our history and celebrating Jeffrey Court moments in our customers' homes.

30<sup>TH</sup> ANNIVERSARY COLLECTION

### Fête

Page 8

1991

An acknowledgement that not all celebrations have to be a formal affair, Fête marks Jeffrey Court's establishment in 1991. Built around a cream colorway, the designs found in Fête focus on straight lines and geometries.

### Garden Party

Page 14

1998

Centered around enchanted green hues, and playful and whimsical designs, Garden Party celebrates our growth as we began working with international suppliers to bring a variety of designs and materials to market.

### Matinee

Page 20

2000

Matinee focuses on our dramatic growth as we multiplied our catalog and expanded our design focus. Dazzling colors accented by an array of blue shades and one-of-a-kind mosaic designs are at the core of this collection.

### Debutante

Page 28

2003

Marks Jeffrey Court's national debut as we officially began offering our products across the entire U.S. Debutante celebrates this with dominant pink shades, curves and rounded shapes while employing youthful, modern, and feminine themes.

### Derby

Page 36

2005

Commemorates the founding of Jeffrey Court's current corporate headquarters as we solidified our role as a key player in decorative wall tile. The materials are the champions of this mini collection. Textured brown marbles and dramatic brown veining stand out with geometric prints.

### Masquerade Ball

Page 42

2016

Honoring the importance of our 25th anniversary, Masquerade Ball takes on a modern classic look. White marbles accented with vivid veining in lilac hues are intensified with distinctive designs.

### Black Tie

Page 48

2021

As we celebrate our 30th anniversary and set our eyes on the future, Black Tie centers around high contrast black and white designs. From classic marble with subtle veining to more dramatic stones, this is a true representation of elegance and sophistication.
